You will give this ticket to the coordinator.

There will be three divisions based on your senior softball age: 55-59, 60-64, and 65+.

The Home Run Derby will consist of three preliminary rounds and a final elimination.
Your HR Derby team is you and your pitcher. Choose your pitcher well!

Round One: The pitcher will serve you 7 pitches. You may waive off only one.
Once you hit a HR you will advance to round two. Fall short and you are eliminated.

Round Two: The pitcher will serve you 5 pitches. You may waive off only one.
Once you hit a HR you will advance to round three. Fall short and you are eliminated.

Round Three: The pitcher will serve you 4 pitches. You may waive off only one.
Once you hit a HR you will advance to Elimination Rounds. Fall short and you are eliminated.

Final Eliminations: *Three outs and you're done!* Any pitch that doesn't get hit is an out.
However, you can waive off only one pitch. Any ball hit by the batter that doesn't fly over the fence in fair territory is an out. Once you have three outs your Home Run total will be your final score. At the end of the round the one with the most Home Runs wins.

MVUDSS will supply all softballs. These will be gently-used ISA 375/44 ROCK softballs.

It is important that when you and your pitcher are called, be ready to take the field once the previous batter has completed his round. **PLEASE BE READY AT ALL TIMES.**

If you don't have a pitcher, one will be provided for you. **ANY BAT** will be allowed.

GOOD LUCK
