

MINUTES MVUDSS BOARD MEETING 8/21/13

ATTENDANCE: S. Baranick (SB); M. Feeney (MF) J. Hansell(JH); B. Kapeller(BK); R. Schemp(RS);

ABSENT: T. Jadwin; G. Stevenson;

With a quorum present, the MVUDSS league Board of Directors met to discuss a number of items.

1. RS motioned/second that a player designated to be selected in the “pitchers round”, who is also a manager, must select himself in the appropriate position in the pitcher's round. **Motion passed 4-1 (SB.)**
2. JH voiced concern that there are 5 pitchers designated as “tier 3” players, only two of whom actually pitched last year, and the possible negative impact that this tier rating might have on a manager's ability to be able to replace one of these players should such a player be absent. The general consensus was that there are enough “other” pitchers and that after the draft, all teams would probably have a second pitcher.
3. Considerable time spent discussing whether managers should draft themselves last in the main draft, as has been continually done since the inception of the league, or require the manager to select himself in some comparable round according to his “tier” rating. No vote taken. Majority agreed to retain managers draft selection according according to current guidelines.
