Pick-Up Players – 11 Player Limit

Concern was raised about the possible inequity resulting from our current league rule which allows a team to replace a missing player only when the roster, for a given game, falls below 11 players.

GS motioned, and JH seconded, that teams may pick up players any time they are short players, irrespective of roster size. Players, can only be picked up, according to existing policy, based on the rating of the missing player(s.) **Motion passed 6 – 0.**

The passing of this motion will require a revision to our league rules and a notification to all managers of this change.
