### **1. Draft Round Selection For Managers/Co-managers**

In recent past drafts, a manager/co-manager was placed in the second round of their pre-draft rating as determined by the rating committee. This has been a topic of discussion at a number of recent Board meetings, with RS, in particular, voicing his concern about this practice. He again voiced his disagreement with this practice, taking the position that since there are fewer “1” rated players than in the past, and considering the fact that managers E. Morrison and M. O'Donnell would, most likely, be selected within the first 6 picks if they were being drafted, that it's only fair that they have to select themselves in round 1. He felt, to be consistent, that this same practice should extend to all other managers/co-managers. JH, and others, did not agree with this position and feels that we had agreed to place managers/co-managers according to the current practice as a way to encourage individuals to manage, and that no two players “teaming up” will create an unfair imbalance. Without vote, but with general consensus of the Board, the practice for manager/co-manager draft round selection will remain unchanged.

### **2. New Players/# of Players In Draft**

SB announced that Hank Alberts from the pool, and Tom Jelks (Brandon's Diner (BD)) will be added to the draft. Jelks has played on BD for a couple of years, but has moved to Hemet and wants to play every week. Final decision on Jelks status will be made no later than Tuesday, 8/25/15. With Alberts and Jelks added to the draft, we will have 69 players being drafted. SB also clarified that Mario Borroel will be in the draft.

### **3. Draft Order Selection and First Two Round Selections**

By drawing playing cards (1-6), the order of the draft was determined as follows:

1. Eric Morrison - purple
2. Ed Rushing – powder (light) blue
3. Mike O'Donnell - gray
4. Rod Schemp - red
5. Jim Ganley - white
6. Mike Feeney – Dodger blue

Team colors were selected in reverse order of the draft selection.

SB also requested that the managers supply him with team names.
