ABSENT: R. Barnhart

GUEST: A. Underwood (AU) – via phone

GUEST: D. Bivin (DB) – via phone

This special meeting of the Board was called to deal with the issue of Monday league players, AU and DB being suspended from participating in SSUSA tournaments, AU for 5 years and his manager DB for 1 year. This suspension resulted from AU, allegedly, using an illegal bat during the recent Winter Worlds tournament in Phoenix, AZ.

Each guest participated in this meeting at separate times and was not present during the meeting when the other was speaking. Each guest had previously indicated to the Board that he intended to appeal the SSUSA suspension.

Each guest was given the floor to speak and answered questions from the Board. As this is a personnel matter, discussion about the incident and any decision which may be made by the Board will remain confidential.
